FOREWORD

Alḥamdulillah! With Allah's blessings and mercy the book, "Qur'anic & Masnūn Supplications" is being presented once again with some new additions.

In this edition, the supplications from the Qur'an are categorized under the headings of '*Rabbī*' and '*Rabbanā*', while others, have been compiled under a different heading. For the convenience of the reader, brief ones have been placed before longer supplications and those with similar meanings are placed together. The English translation of the Qur'anic Supplications have been taken from "The Qur'an" revised & edited by Saheeh International (Riyadh).

Hope this collection of supplications

would be your companion at every event and place, especially in the moments of 'acceptance of dua' so that nothing would be left from asking.

Invoke your Rabb by these supplications and you too will definitely say:

وَلَمْ أَكُنْ بِدُعَائِكَ رَبِّ شَقِيًّا (مریم: 4)

And never have I been in my supplication to You, my Lord, unhappy.

May Allah the Exalted accept this attempt. *Āmīn*.

The Merits & Importance of Supplication

The purpose of man's creation is to worship Allah ﷻ as He says:

وَمَا خَلَقْتُ الْجِنَّ وَالْإِنْسَ إِلَّا لِيَعْبُدُونِ (الذاريات: 56)

And I created not the jinn and mankind except that they should worship Me.

To supplicate to Allah ﷻ is also a form of worship. As the Prophet ﷺ said:

الدُّعَاءُ هُوَ الْعِبَادَةُ (سنن أبي داود)

Supplication is worship.

Allah ﷻ says:

وَإِذَا سَأَلَكَ عِبَادِي عَنِّي فَإِنِّي قَرِيبٌ أُجِيبُ دَعْوَةَ

الدَّاعِ إِذَا دَعَانِ (البقرة: 186)

And when My servants ask you, concerning Me - indeed I am near. I respond to the invocation of the supplicant when he calls upon Me.

The Etiquettes of Supplicating

- Begin Supplication with praise and glorification of Allah.

- While fasting.
- In the Night of Power and Destiny.
- After recitation of the Qur'an.
- While travelling.
- On the day of 'Arafah.
- When drinking Zamzam water.
- In the battlefield.

20. Our Lord, do not impose blame upon us if we have forgotten or erred. Our Lord, and lay not upon us a burden like that which You laid upon those before us. Our Lord, and burden us not with that which we have no ability to bear. And pardon us; and forgive us; and have mercy upon us. You are our protector, so give us victory over the disbelieving people.

52. O Allah! Put affection amongst our hearts, reform our matters within us, guide us to the path of peace, save us from the darkness towards the light, save us from all kinds of obscenity; the apparent as well as the hidden; bless our hearing, our sight, our hearts, our spouses and our children, turn in mercy towards us. Indeed You are the One who greatly accepts repentance, Most Merciful. Make us the ones most grateful for Your bounties so we may compete with one another in praising You for these (bounties) and complete these (bounties) for us.

53. O Allah! Distribute amongst us such awe and fear of Yours that will be a means of intervening between us and Your disobedience; and grant us such obedience of Yours that will enable us to

reach Your Paradise; and such conviction which will ease upon us the afflictions of the world. O Allah! As long as You keep us alive, benefit us by means of our hearing, our sight and our bodily strengths; make each one of them our heir; avenge for us those who wronged us; help us against our enemies and do not place any difficulties in our *dīn* nor make the world the greatest of our sorrows nor a (limited) source of our knowledge and do not impose upon us one who has no mercy for us.

O Allah! We seek refuge in You
from turning away
(from Your obedience)
or from being put to trial.
