To serve humanity by imparting knowledge of Qur'an and Sunnah - the only way to attain peace in this world and the hereafter

Begin the New Year with Self-Reformation

New Year according to the solar calendar has begun. We should start the New Year with new enthusiasm, with new intensity, renewed energy and strong impulse to do various good deeds. We all desire to become exemplary person, the person loved and respected by others. Our Prophet ﷺ has shown an easy methodology for achieving this "that you like for others what you would like for yourself". Let us make a resolution this Year that we will initiate in Salam, will respect and honor people, will speak to them in dignified and excellent manner, will not let them feel belittled or downgraded, will make ease and flexibility in our dealings with them. If we inculcate these qualities in our mannerism, then others will also show excellent behavior with us. Good mannerisms makes a person a better human being. The effect of one's mannerism is seen in his speech, expressions and dealings and it is directly connected with one's heart. Thus, we should reform ourselves from the depth of our heart and do good with others for the sake of Allah ﷻ. If we inculcate good thinking and excellent dealings with others then Allah ﷻ will open the gates of goodness for us.

Reflection on the Signs of Nature

Subhanallah! We have so many signs of Allah ﷻ creation around us for our reflection. Sunshine after a few days of rain in the fall season had enhanced the color of the leaves, making them more beautiful. I picked up one fallen leaf from among many colorful leaves and started wondering, there is so much to learn from the creation of Allah ﷻ. After seeing these trees and plants the dua that came out from my heart was 'O Allah ﷻ grant a good end in all our matters and save us from the humiliation of the world and the torment of the Hereafter'. The leaves of the trees have a purpose, so do we. From the beautifully changing colors of the leaves I learned obedience, beautiful patience, hope and submission to Allah ﷻ with dignity. We need to bring our hearts and deeds to the level of excellence, and the biggest gift we will be receiving for this will be love of Allah. O Allah ﷻ, beautify our hearts with Eman, rectify our deeds with Ehsan and bring us closer to You in this world and the Hereafter. Ameen

Book Review

Allah ﷻ honored the human beings by making them superior among His creation and made this world as a means of test for them. After departing from this world their first destination will be grave, where they will face a great test, basically they will have to answer three questions. Al-Huda Publications has printed a book "Qabar ke teen sawal" to help prepare for this test. In this book after explaining the purpose of life in the light of Qur'an and Hadith, the final journey, reality about death has been mentioned. Death is the reality about which human beings are heedless. This book has been beautified with verses and ahadith to soften the hearts and is a guide and an asset for today's Muslims. At the last page of the book there is a sketch showing the journey of Aakhirah which is sufficient to transform a mature person into a true believer (Momin). For the book lovers and those who desire to tread on sirat ul Mustaqeem this book is an asset.

قرآن کا پڑھنا نہیں ہے کوئی معمولی کام
اک الگ سیکشن کا ہے یہاں اہتمام
اس سیکشن کا حال ہیں ہم آپ کو سناتے
اس شوق میں سب ہی گروہ درگروہ آئیں
سلام ہو ان پر جو یہ استاد ہیں ہمارے
خوش الحانی سے پڑھنا ہی کافی نہیں ہے
دلوں کی صفائی کے لیے تربیت ہیں کرتے
ترتیل سے قرآن جہاں پڑھتے ہیں سارے
قرآن کا سیکھنا سکھانا ہے اک مسلسل جہاد
اسی سے ہوگی دنیا و آخرت شاد و آباد
